Town Warrant for 1958

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the New School Building on Atlantic Avenue in said North Hampton on Tuesday, the Eleventh day of March, 1958, at one o'clock in the afternoon: Business meeting to begin at 7:30 P. M.: Polls not to close before 7:30 P. M.: To act upon the following subjects:

ARTICLE I. To choose one Selectman for three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing year.

ARTICLE II. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE III. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE IV. To see what action the Town will take regarding allowing a five per cent discount on taxes paid on or before a date which the Selectmen shall designate.

ARTICLE V. To see if the Town will vote to extend, for fire protection purposes, the existing water main of

the Hampton Water Works Company from the junction of Hobbs Road and New Road along New Road for a distance of approximately 1900 feet and install hydrants on said line spaced at distances consistent with standard hydrant spacings in the balance of the Town; the cost of such extension not to exceed $6,200.00, of which sum, not more than $2,000.00 shall be raised by tax levy this year and the balance shall be raised by promissory note with legal interest thereon payable at the rate of $2,000.00 annually until the balance is paid in full, or as otherwise voted. (By petition)

ARTICLE VI. To see if the Town will vote to raise and appropriate the sum of six hundred ($600.00) dollars to maintain and conduct a system of public recreation for the summer months, and in connection therewith to establish a recreation committee of not less than five members to be appointed by the Board of Selectmen.

To vote to authorize the Board of Selectmen to delegate to the Community recreation committee the power to administer and supervise the expenditure of said sum appropriated for said program and to employ a playground supervisor and assistants and to purchase such supplies and equipment as may be needed. (By petition)

ARTICLE VII. To see if the Town will authorize the Selectmen to negotiate with the New Hampshire Department of Public Works and Highways to determine whether or not the state will improve the road leading across the Green, so called, by widening the existing road to a width of 22 feet with three-foot shoulders on each side and removing approximately ten maple trees on the north side of said road and to authorize the Selectmen to take whatever action is necessary in order to permit the highway reconstruction.

ARTICLE VIII. To see if the Town will vote to form a Municipal Budget Committee of nine (9) members;

said Committee to consist of one member of the Board of Selectmen, one member of the School Board, one member of the Board of Commissioners of the Little Boar's Head Village District, and six members-at-large to be appointed by the moderator, a majority of whom shall be property tax payers; two of the members-at-large to serve three years and until their successors are elected or appointed and qualified.

ARTICLE IX. To see if the Town will vote to accept as a public highway the road, as approved by the Planning Board, forty (40) feet in width, running easterly from Post Road for a distance of ten-hundred and forty-seven (1047) feet, more or less, on the property of Grayce M. and Christopher D. Moore, with four (4) houses being located thereon, and terminating in a loop, such acceptance to take effect upon the completion of the paving thereof to a width of thirty (30) feet, meeting the approval of the Selectmen and Road Agent. (By petition)

ARTICLE X. To amend existing zoning ordinance to provide airport approach area regulations.

An amendment of the zoning ordinance regulating and restricting the height of structures and objects of natural growth and otherwise regulating the use of property in the vicinity of the Hampton Airport by creating airport approach areas and establishing the boundaries thereof; defining certain terms used herein; (providing for enforcement); (establishing a Board of Appeals); and (imposing penalties). (The last three items not needed if already provided for).

To see if the Town will vote an amendment to the zoning ordinances to provide zoning protection to the Hampton Airport, as described in sections 1 thru 11 and shown on the Hampton Airport Approach Plan dated 5-15--56. In pursuance of the authority conferred by

Chapter 51, of the Revised Laws and for the purpose of promoting the health, safety and general welfare of the inhabitants of North Hampton, by preventing the creation or establishment of airport hazards, thereby protecting the lives and property of the users of the Hampton Airport and of occupants of land in its vicinity and preventing destruction or impairment of the utility of the Airport and the public service it provides.

The following amendment of the zoning ordinance is hereby adopted by the legal voters of the Town of North Hampton, as follows:

Section 1. Definitions. As used in this ordinance, unless the context otherwise requires:

(1) "Airport" means any area of land or water, whether constructed or not, which has been approved by the director as a site for the landing and taking off of aircraft or utilized or to be utilized by the public as a point of arrival or departure by air.

(2) "Approach Area" means an area having dimensions of 300 feet in width at a point 200 feet from end of the landing strip and flares to 2250 feet in width at a distance of 10,200 feet. The center line of this approach area shall coincide with the center line of the landing strip extended.

(3) "Airport Hazard" means any structure, tree, smoke, steam, dust or other substance which obstructs the aerial approaches of an airport or impairs the reasonable visibility in the vicinity thereof, electrical impulses and disturbances which interfere with radio aids or communications and lights which might result in glare in the vision of pilots of aircraft or be confused with airport lights.

(4) "Non-conforming Use" means any structure, tree, or use of land which does not conform to a regulation prescribed in this ordinance or an amendment thereto, as of the effective date of such regulations.

(5) "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association or body politic, and includes any trustee, receiver, assignee, or other similar representative thereof.

(6) "Structure" means any object constructed or installed by man, including such objects although regulated or licensed by other provisions of law.

(7) "Tree" means any object of natural growth.

Section 2. Areas. In order to carry out the purposes of this amendment all of the land within the boundaries of the approach areas and all of the land within a distance of 8000 feet from the airport reference point shown on the Hampton Airport Approach Plan dated 5-15-56, which is attached hereto and made a part hereof, is hereby declared subject to the restrictions of this amendment.

Section 3. Height Limits. No structure or tree shall be erected, altered or allowed to grow within the areas described in section 2, hereof, above a slope ratio of 20 feet to one foot measured from a point 200 feet from the end of the landing strip served by an approach area or above a slope ratio of seven feet to one foot measured from the side of the landing strips and the approaches, or within a distance of 5000 feet from the airport reference point above a height of 150 feet above the airport elevation, or above a slope ratio of 20 feet to one foot between 5000 feet and 8000 feet from the airport reference point, except that the Board of Appeals shall have the power to grant a variance of this regulation where

literal application or enforcement of the same would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest but do substantial justice and be in accordance with the spirit of this regulation.

Section 4. Use Restrictions. Notwithstanding any other provisions of the zoning ordinance, no use may be made of the land described in section 2, hereof, in such manner as to create electrical interference with radio aids or communications between the airport and aircraft, make it difficult for flyers to distinguish between airport lights and others, result in glare in the eyes of flyers using the airport, impair visibility in the vicinity of the airport by the creation and discharge of smoke, steam, dust or other obstructions to visibility or otherwise endanger the landing, taking off, or maneuvering of aircraft.

Section 5. Non-conforming Uses. The regulations described in section 3 and 4 of this amendment shall not be construed to require the removal, lowering, or other change or alteration of any structure or tree not conforming to the regulations as of the effective date hereof, or otherwise interfere with the continuance of any non-conforming use. Nothing herein contained shall require any change in the construction alteration, or intended use of any structure and the construction or alteration, of which was begun prior to the effective date of this amendment, and is diligently prosecuted and completed within two years thereof.

Section 6. Variances. Any person desiring to erect any structure or increase the height of any structure, or permit the growth of any tree, or use his property, not in accordance with the regulations prescribed in this amendment, may apply for a variance therefrom. Such variance shall be allowed where a literal application of

enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief would not be contrary to the public interest but do substantial justice and be in accordance with the spirit of this amendment.

Section 7. Permits.

(1) **Future Uses.** No material change in violation of sections 3 and 4 hereof shall be made in the use of land, and no structure or tree shall be erected altered, planted, or otherwise established in violation of sections 3 and 4 hereof in any of the areas of land described in section 2 hereof, unless a permit therefor shall have been applied for and granted. Each such application shall indicate the purpose for which the permit is desired, with sufficient particularity to permit it to be determined whether the resulting use, structure, or tree would conform to the regulations herein prescribed. If such determination is in the affirmative, the permit applied for shall be granted.

(2) **Existing uses.** Before any existing use, structure or tree may be replaced, substantially altered or repaired, rebuilt, allowed to grow higher, or replanted, within any of the areas of land described in section 2 hereof, a permit must be secured authorizing such replacement, change or repair if it is in violation of sections 3 and 4 hereof. No such permit shall be granted that would allow the establishment or creation of an airport hazard or permit a non-conforming use, structure, or tree to be made or become higher, or become a greater hazard to air navigation, than it was on the effective date of this ordinance or than it is when the application for a permit for replacement, change, or repair of existing use, structure, or tree shall be granted.

Section 8. Hazard Marking and Lighting. Any permit of variance granted under section 6 or 7 may, if such action is deemed advisable to effectuate the purposes of this amendment and reasonable in the circumstances, be so conditioned as to require the owner of the structure or tree in question to permit the Hampton Airport at its own expense, to install, operate and maintain thereon such markers and lights as may be necessary to indicate to flyers the presence of an airport hazard.

Section 9. Severability. If any of the provisions of this amendment or the application thereof to any person or circumstance is held invalid, such invalidity shall not effect other provisions or application of this amendment which can be given effect without the invalid provision or application, and to this end the provisions of this amendment are declared to be severable.

Section 10. Airport Plan. A copy of said Airport Approach Plan shall become a part of the zoning map of the Town of North Hampton.

Section 11. Effective Date. This amendment shall take effect upon adoption. (By petition)

ARTICLE XI. To see if the Town will vote to extend, for fire protection purposes, the existing water main of the Hampton Water Works Company on Locke Road, Little Boar's Head Precinct, a distance of nine hundred feet; and to raise and appropriate for said purpose the sum of $2,000, the balance of $1,000 to be paid for by the abutters. (By petition)

ARTICLE XII. To see if the Town will vote to raise and appropriate the sum of twelve hundred ($1,200.00) dollars to be used for mosquito control. (By petition)

ARTICLE XIII. To transact any other business that may legally come before the said meeting.

Given under our hands and seal this 19th day of February, in the year of our Lord nineteen hundred and fifty-eight.

GEORGE A. CRAIG,
PAUL W. HOBBS,
MARTIN W. WHENAL,
Selectmen of North Hampton

REPORT OF TOWN MEETING

March 11, 1958

A meeting of the Inhabitants of the Town of North Hampton qualified to vote in town affairs and holden in the School building in said Town, the Alphabetical list of voters having been posted and subscribed on the back thereof by the supervisors of the Check List, was called to order at one o'clock in the afternoon by the Moderator, Philip T. Boothby, who declared the Polls open for the election of Town Officers, the business meeting to be held at 7:30 P. M. It was voted that the Polls remain open long enough after the business meeting to give everyone an opportunity to vote.

At 7:30 P. M. Moderator Philip T. Boothby, declared the meeting open, announced that the polls would remain open long enough after the close of the business meeting to give everyone an opportunity to vote, and named James F. Leavitt, Carroll M. Fogg, and James A. Chisholm tellers for the evening.

Moderator Boothby recognized Fred C. Leavitt who was attending his sixty-fourth consecutive annual Town Meeting. Mr. Leavitt received a round of applause from the townspeople.

On motion of Elliot A. Stevens it was voted to dispense with the reading of the Town Warrant.

Article 1, Officers elected from the floor.

Assessors of Taxes.

Lewis Haven moved and it was so voted that the Selectmen act as such.

Overseers of the Poor.

George G. Carter moved and it was so voted that the Selectmen be Overseers of the Poor.

Fence Viewer.

Kenneth R. Grant and Raymond O. Hobbs were nominated. Raymond O. Hobbs declined the nomination. A motion made by Maurice Kierstead that nominations cease, and it was seconded. It was voted that Kenneth R. Grant be Fence Viewer for the ensuing year.

Sealer of Weights and Measures.

On motion of William P. Fowler it was voted that D. Morris Lamprey serve as Sealer of Weights and Measures for the ensuing year.

Public Weighers.

On motion of William P. Fowler it was voted that Warren Lamprey and D. Morris Lamprey serve as Public Weighers for the ensuing year.

Surveyors of Wood and Lumber.

On motion of George G. Carter it was voted that Raymond O. Hobbs, Russell D. Moulton, and Richard I. Goss serve as Surveyors of Wood and Lumber for the ensuing year.

Raymond O. Hobbs was elected.

WATER COMMISSION — For Four Years

Lewis Haven	390
William H. Lessard	1
Robert V. Lessard	1

Lewis Haven was elected.

BEANO QUESTION

Shall the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano be adopted in this town?

Yes	159	No	208

Article 2. Carroll M. Fogg moved and it was so voted that this article be passed over until all other articles were acted upon.

Article 3. Carroll M. Fogg moved that this article be passed as read. It was a vote.

Article 4. William P. Fowler moved that a discount of 5% be allowed on taxes paid on or before a date to be designated by the Selectmen. It was a vote.

Article 5. Chester A. Parkhurst suggested that Article 5 and Article 11 be taken up together and voted on at the same time as both articles concerned the extension of water mains. John McMahon moved that all articles in the warrant be considered singularly in order they appear. It was a vote.

Several residents of New Road stated their reasons for wanting the water extended. One resident of New Road, James Griffith, stated that he has had no household water whatsoever for a long time.

After much discussion of the article, James F. Leavitt moved that this article be passed as read. This article was voted on by ballot. Total votes cast: 166; Yes 130, No 36. It was voted to accept Article 5 as read.

Article 6. After hearing several favorable comments from mothers and fathers of children who attended the eight-week recreation program conducted at the School Playground during the summer of 1957, Robert S. Knowles moved that this article be accepted as read. This article was voted on by ballot. Total votes cast: 139; Yes 117, No 22. It was voted to accept Article 6 as read.

Article 7. Lewis Haven moved and it was seconded that this article be amended in the seventh line after

the word removing to read, ". . . . . and removing or relocating approximately ten maple trees. . . . . .".

Several townspeople felt these good-sized trees would be impossible to relocate without injuring them. Raymond O. Hobbs stated that the cost of removing and relocating these trees would be prohibitive. Fred C. Leavitt stated that he could remember when these maple trees were planted, and he said he was very much opposed to their being removed. Charles Goodhue suggested that this road leading across the Green be made a one-way street going West. George G. Carter stated that General Merrill, Commissioner of New Hampshire Public Works in Concord had been approached with this idea in previous years, and Mr. Carter stated that General Merrill had been opposed to making it a one-way street.

After much discussion Lewis Haven withdrew his motion to amend Article 7 and moved that this article be indefinitely postponed. It was voted that Article 7 be indefinitely postponed.

Article 8. As there was a question to the legality of establishing a Municipal Budget Committee before accepting the Municipal Budget Law, William P. Fowler moved that this article be amended as follows: "To see if the Town will vote to adopt the Municipal Budget Law in the Town of North Hampton and that the Budget Committee shall consist of nine members; said Committee to consist of one member of the Board of Selectmen, one member of the School Board, one member of the Board of Commissioners of the Little Boar's Head Village District, and six members at large; the six members at large to be appointed this year by the Moderator as follows: Two members for one year, two members for two years, and two members for three years. Beginning with the 1959 Annual Town Meeting

and each year thereafter, two members at large to be elected by ballot for three year terms. And to instruct the Selectmen to insert an article in the 1959 Annual Town Warrant ratifying the action of the Town in accepting the Municipal Budget Law". It was voted to adopt Article 8 as amended.

Moderator Boothby asked the Selectmen to check with the Attorney General to see whether or not a member of the Co-operative School District from North Hampton should be included as a member of the Municipal Budget Committee.

Article 9. William H. Lessard moved that this article be accepted as read. It was a vote.

Article 10. James Griffith moved and it was voted to dispense with the reading of Article 10 because of its length.

John Gibbons representing the Hampton Airport stated that this article drawn up by the State Aeronautics Committee was inserted in both the Hampton and the North Hampton Annual 1958 Town Warrants primarily for the purpose of air safety and for those on the ground in the area near the airport.

Lewis Haven made a motion to defer action on this article and that it be referred to the Zoning Commissioners for study and report at next year's town meeting. It was seconded.

Raymond O. Hobbs, a member of the Zoning Board, asked Mr. Haven if he would amend his motion to refer the article for study to both the Zoning Inspectors and the Town Planning Board. Mr. Haven accepted the amendment. It was voted to defer action on Article 10 and that it be referred to the Zoning Inspectors and the Town Planning Board for study and report at the 1959 Annual Town Meeting.

Article 11. Before considering this article, Moderator Boothby read a communication addressed to George A. Craig, Chairman of the Selectmen, dated March 6, 1958, from the two principal abutters, E. Francis Bowditch, a resident of Locke Road, North Hampton, and F. Lawrence Moore, a property owner on Locke Road. The communication stated in effect that the area to be served by the proposed extension primarily for fire protection purposes is at the present time a completely undeveloped area, and both Mr. Bowditch and Mr. Moore had installed existing mains and or lines at their own expense without recourse to public funds. They summed up their communication by stating that, "as the two principal abutters, we frankly prefer being assessed for community development only after full consideration has been given by the community to the many aspects involved in major developments".

Chester A. Parkhurst, the sole petitioner of this article, stated that he planned to build several houses in the proposed extension area, and for long-range planning purposes for the Town, he felt the existing water main on Locke Road should be extended, and he stated that he would agree to pay the balance of $1,000.

Chester A. Parkhurst moved that Article 11 be amended as follows: "To see if the Town will vote to extend for fire protection purposes, the existing water main of the Hampton Water Works Company on Locke Road, Little Boar's Head Precinct, a distance of nine hundred feet, and to install two hydrants thereon to be spaced at the discretion of the Water Commissioners, and to raise and appropriate for said purpose the sum of $2,000 and Chester A. Parkhurst to donate to the town $1,000 for said purpose". It was seconded.

After prolonged discussion, Carroll M. Fogg stated that he believed Mr. Parkhurst should be given the

courtesy of a vote on the amended article. This article was voted on by ballot. Total votes cast: 143; Yes 56, No 87. It was voted not to accept Article 11 as amended.

Article 12. Ernest Carlson asked how the appropriated money in previous years for mosquito control had been spent. Raymond O. Hobbs stated that $836.77 of the $1,200 appropriation in 1957 had been spent for spraying from a truck along the roads of the town, except where there was livestock, during the months of June, July, and August. Because of unfavorable weather conditions after Labor Day, the fourth spraying was not completed, and there was an unexpended balance of $363.23. Mr. Byron Kirby of the Ralston Tree Service stated that air spraying for controlling mosquitos was not effective because an airplane could not come down low enough.

William P. Fowler moved that this article be accepted as read. This article was voted on by ballot. Total votes cast: 107; Yes 60, No 47. It was voted to accept Article 12 as read.

Article 2. George G. Carter stated that the $13,500 in the Budget for County Tax was only an approximate figure because at the time the budget was drawn up, the exact amount was unknown; however, Mr. Carter had since been notified that the County Tax for 1958 would be $13,742. Mr. Carter moved that an additional $242. be added to the county tax in the budget. It was a vote.

Maurice Kierstead moved that the town raise sums of money as set forth in the 1958 Budget plus the increase of $242 for the County Tax, plus appropriations for articles voted on in the 1958 Town Warrant, $3,800, making a total of $81,279.77. It was a vote.

Article 13. Raymond O. Hobbs stated that a few years ago Honorable Alvan T. Fuller, Sr., ex-governor of Massachusetts, established a $10,000 fund to assist the towns of North Hampton and Exeter in controlling Dutch Elm Disease. This includes sanitation and removal of dead wood. Up to 1958 North Hampton has received from the Fund $1,812.70. Mr. Hobbs made the motion that a letter of appreciation be sent to Mr. Alvan T. Fuller, Sr. in appreciation of his very generous financial assistance in controlling Dutch Elm Disease in North Hampton. It was a unanimous vote.

Carroll M. Fogg stated that he was not critizing any one individual or the Water Commissioners as a whole, but he wished to remind the townspeople of Section 7 and Section 10 of Article 7 of the 1957 Annual Town Warrant which was accepted by the voters at the 1957 Annual Town Meeting. Section 7, Article 7 states that one of the duties of the Water Commissioners would be, "To recommend to Town Warrant articles, methods of financing of improvements, alterations and extensions and to include a realistic cost estimate of work recommended." Section 10, Article 7 states that another duty of the Water Commissioners would be, "To receive the legal petitions of not less than ten (10) legal voters of said Town relating to improvements, extensions and alterations to aforesaid water system. Evaluate the need, urgency and priority of such requests and incorporate them, in proper sequence and priority, into a comprehensive development plan of the aforesaid water system." Mr. Fogg also stated that it was suggested at the 1957 Town Meeting that no more articles concerning extension of water lines be presented in future Town Warrants until those extensions which had been voted on in previous years had been paid for.

Maurice Kierstead, speaking for the Water Commis-

sioners, asked anyone considering inserting a petition in future Town Warrants concerning the extension of water lines to please give the petitions to the Water Commissioners at least several weeks, months if possible, in advance of the deadline for filing petitions to be inserted in the Warrant. Mr. Kierstead stated that both 1958 Articles concerning extension of water were filed at too late a date to give the Water Commissioners an opportunity to hold a hearing before the deadline.

Elliot A. Stevens moved that the meeting be adjourned, and it was so voted.

The meeting adjourned at 10:15 P. M.

The polls closed at 10:25 P. M.

Respectfully submitted,

MARION L. CARTER,
Town Clerk

Town Warrant for 1959

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the New School Building on Atlantic Avenue in said North Hampton on Tuesday, the Tenth day of March, 1959, at one o'clock in the afternoon: Business meeting to begin at 7:30 P. M.: Polls not to close before 7:30 P. M.: To act upon the following subjects:

ARTICLE I To choose one Selectman for three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing year.

ARTICLE II. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE III. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE IV. To see what action the town will take regarding allowing a five per cent discount on taxes paid on or before a date which the Selectmen shall designate.

ARTICLE V. On petition of Philip Fowler and nine other legal voters to see if the Town will vote to pay the Village District one half the cost of the lifeguard at the bathing beach, but not exceeding Three Hundred

($300.00) Dollars each year, and to appropriate Three Hundred ($300.00) Dollars annually for the same.

ARTICLE VI. To see if the Town will vote to authorize and empower the Board of Selectmen to withdraw and expend a sum not to exceed Twenty-Two Hundred ($2,200.00) Dollars from the Capital Reserve Fund No. 1 (created for the construction and reconstruction of Town buildings) and to authorize the trustees of trust funds to make payments from the Capital Reserve Fund in such amounts as approved by the Selectmen for the following purposes:

A. To purchase building materials and supplies up to an amount not to exceed Five Hundred ($500.00) Dollars in order to remodel the existing shed at the rear of the fire station as a stall for the tank truck.

B. To insulate the ceiling of the Town Hall.

C. To install radiators in the Town Hall so that the three buildings will be heated from one system.

ARTICLE VII. On petition of James F. Leavitt and eleven other legal voters to see if the Town will vote to adopt the provisions of the Municipal Budget Law in accordance with provisions of RSA Chapter 32 as amended.

ARTICLE VIII. On petition of James F. Leavitt and eleven other legal voters to see if the Town, in the event of the passage of the Municipal Budget Law, will vote to have the Moderator appoint a Budget Committee of six (6) members at large.

ARTICLE IX. On petition of H. W. Dalton and nine other legal voters to see if the Town will vote to authorize the Selectmen to appoint, from qualified applicants, a Chief of Police.

ARTICLE X. To see if the Town will vote to apply the balance of $1,042.98 now in Capital Reserve Fund No. 2 (designated for the construction and acquisition of a water works) to reduce the current indebtedness on outstanding water notes, and to apply any further receipts in said fund from time to time for the same purpose so long as any such water notes remain outstanding, and to authorize the trustees of trust funds to make payments for such purposes.

ARTICLE XI. On petition of Lawrence A. Martin and nine other legal voters to see if the Town will vote to raise and appropriate the sum of One Thousand ($1,000.00) Dollars to maintain and conduct a system of public recreation for the summer months, and in connection therewith to establish a recreation committee of not less than five members to be appointed by the Board of Selectmen; and to authorize the Board of Selectmen to delegate to the Community recreation committee the power to administer and supervise the expenditure of said sum appropriated for said program and to employ a playground supervisor and assistants and to purchase such supplies and equipment as may be needed.

ARTICLE XII. On petition of Clara E. Stone and nine other legal voters to see if the Town will vote to extend, for fire protection purposes, the existing water main of the Hampton Water Works Company from the end of the line on Post Road to the Hampton town line on Post Road, a distance of 3,700 feet.

ARTICLE XIII. On petition of Anna Kayak and thirteen other legal voters to see if the Town will vote to install a street light at or near the residence of Anna Kayak on South Road.

ARTICLE XIV. To see if the Town will vote to provide that the Board of Selectmen shall not accept

the conveyance of any road, street or way from a private developer or owner without obtaining from said developer or owner a conveyance of all rights to improvements and additions running along said road, street or way such as water extension, hydrants, sidewalks, street lighting and all benefits accruing from said improvements and additions; it being provided further that from the date of the acceptance of the road, street or way the Town shall receive any and all rebates of other income resulting from house or building services, hydrant installation, or further extensions given by the appropriate public utility.

ARTICLE XV. To see if the Town will vote to raise and appropriate the sum of Four Hundred ($400.00) Dollars to be used in continuing an Elm Tree sanitation program in connection with an estimated sum of Four Hundred ($400.00) Dollars still available to the Town of North Hampton from the Alvan T. Fuller Fund for the control of the Dutch Elm Disease in North Hampton and Exeter. Said Fund being on deposit in the care of the Governor of New Hampshire and being administered by a Special Elm Tree Committee of the State of New Hampshire and the Town of North Hampton as relative to said Town.

ARTICLE XVI. On petition of Mary E. Norton and nine other legal voters to see if the Town will vote to extend, for fire protection purposes, the existing water main of the Hampton Water Works Company from the Northern junction of Elm Road and Lafayette Road, South along Lafayette Road for a distance of approximately 750 feet and install a hydrant at the end of said line; the cost of such extension not to exceed Twenty-Five Hundred ($2,500.00) Dollars, which sum shall be raised and appropriated by tax levy this year, or as otherwise voted.

ARTICLE XVII. To transact any other business that may legally come before the said meeting.

Given under our hands and seal this 17th day of February, in the year of our Lord nineteen hundred and fifty-nine.

MARTIN W. WHENAL,

PAUL W. HOBBS,

GEORGE A. CRAIG,

Selectmen of North Hampton

REPORT OF THE FIRE DEPARTMENT

To the Citizens of North Hampton:

The Fire Department consists of three permanent and twenty-four volunteer firemen. The Fire Station is manned in three eight hour shifts by the permanent men, thus providing twenty-four hour coverage of the Station.

During 1958 twenty-eight calls for assistance were answered, two of this number being for out of town fires. The loss from fire in North Hampton during the year amounted to an estimated $13,100.

The Department is an active member of the Interstate Emergency Mutual Aid Unit, and a member of the newly formed New Hampshire Federation of Fire Mutual Aid Association.

The members of the Fire Department, through their Association, donated the sum of $283.13 for the purchase of protective coats and boots, additional insurance and furnishings for the new office. 12 members (at their own expense) attended the State Fire School at the Meadowood, N. H. Drill Yard on September 13 and 14. This school is sponsored by the Fire Chief's Club of New Hampshire and provides valuable training in the latest techniques of fire fighting.

CURTIS MARSTON,

Chief, North Hampton
Volunteer Fire Dep't.

RECREATION COMMITTEE REPORT

The 1958 recreation program was conducted for seven weeks during the Summer. For the second year Robert L. Luther supervised the program in an excellent manner. Mr. Luther was ably assisted by Mrs. Harlan Carter. The program was again divided into two sessions a day. The morning session lasted from 9:00 A. M. until 12:00 Noon and the afternoon session lasted from 1:00 P. M. until 3:00 P. M. The program consisted of arts and crafts, organized games, physical exercises, archery, baseball, softball and special events such as track meets, carnivals, checker tournaments, swimming and Mother/Daughter, Father/Son ball games.

The average daily attendance for the seven week program was 55 boys and girls. Again the program was conducted for five days a week (Monday through Friday). The program was shortened from the originally planned eight week period to seven weeks due to a low estimate in the budget. It was felt that an assistant was needed to promote a smoother running program, thus the budget was too small for the anticipated program. However, considering the fact that the program was in its second year and that there were budgetary limitations, it is felt that the program was a success, due largely to the efforts of Mr. Luther and Mrs. Carter. The committee would also like to thank the parents and interested friends who helped make the program a worthwhile and successful undertaking.

Plans for 1959 are in the process of being formulated to include activities for the young adult and adult

groups. A definite effort will be made to reach these groups by means of a twi-light and/or evening session to be held two days a week. As the result of a plan for expansion in the program, equipment requirements will be higher than in the two previous years allocations. We are looking forward to and hoping for another successful year.

LAURENCE A. MARTIN

Chairman
Recreation Committee

WATER COMMISSIONER'S REPORT

The existing water main of the Hampton Water Works Company was extended from the junction of Hobbs Road and New Road, along New Road for a distance exceeding 1900 feet, with hydrants spaced consistent with hydrant spacings. The cost of this extension was $5,988.27. Money appropriated at the Annual Town Meeting of 1958 amounted to $6,200. Rebates for extension of water lines during 1957 from the Hampton Water Company shall be applied to the balance raised by promissory note.

Long range planning for extension of the present water lines have been discussed in the past year and every consideration is being given to the heavy populated areas not afforded fire protection at the present time. There has been an increase in the cost of hydrants to the town granted the Hampton Water Company by the Public Utilities Commission. The commissioners feel at this time that it would be more advisable to reduce the balance of the promissory note which amounts to approximately $28,000. than applying for further extensions. Another contributing factor to this decision is the possibility that the Town of Hampton may purchase the existing Hampton Water Company. Whereas the existing water lines in the Town of North Hampton belong to the Water Company, we feel that any further extensions could result in an added expense to the town when final agreements are made.

The Board of Water Commissioners would like to have all petitions for extension of present lines, in the future, in their hands by November 1st preceding town meeting. This will allow ample time for planning, hearings and priority listing.

Respectfully submitted,
M. E. KIERSTEAD
Secretary Water Commission

REPORT OF LIBRARY TRUSTEES

During the past year several projects have been completed. In the reading rooms the floors were sanded, new light fixtures were installed and new tables and chairs provided. A magazine rack was purchased, also a file for pictures and pamphlets, and a cabinet for supplies.

The lawn on the west side of the building was graded and seeded and shrubbery was planted in place of the old wooden fence.

Several organizations and many individuals have contributed books or their services for which we are very grateful. The members of the Home Demonstration Extension Group planted trees. The Senior Woman's Club sponsored and arranged an art exhibit. At Christmas time the Womens' Fellowship, and Miss Ruth Stimson and Mrs. Peter Brooks of the Rockingham County Extension Service arranged exhibits and decorations.

During the coming year the North Hampton Senior Woman's Club is entering as their project in a National Civic Improvement Contest the sponsoring of a Library Services Committee. This group will welcome participation by the whole community and will involve such projects as the organization of a permanent picture and pamphlet file, an Open House during National Library Week in April, a story hour for pre-school children, monthly exhibits and the loaning of book collections to the school and shut-ins.

Our budget for 1959 includes funds for hot-topping the driveway and painting the outside of the building.

FRANCES C. LEAVITT,

Treasurer, Library Trustees

REPORT OF LIBRARIAN

To the Trustees of the North Hampton Public Library:

The following is a report of the library from January 1, 1958 to December 31, 1958:

Number of new books added		337
adult fiction	162	
adult non-fiction	73	
juvenile fiction	71	
juvenile non-fiction	31	
Books given to the library		143
Book Circulation		10,608
Magazine Circulation		944

We appreciate the gifts of books and magazines this year, received from the following: Mr. and Mrs. Theodore B. Griffith, Mrs. Chester Poor, Mrs. Alvan T. Fuller, Jr., Mrs. Philip Hobson, Gregory Roche, Mrs. Alice G. Hobson, the North Hampton Senior Woman's Club (for their memory shelf), Girl Scout Troop No. 5, the Womens' Fellowship, Mrs. Herbert Bridges, the Ladies' Union, Mrs. Wilbur Parker, Mrs. David Boies, Miss Patricia Sullivan, Mrs. John Osborn, Mrs. Cord Meyer, Mrs. Clifton Gilman, and Mr. James K. Leavitt.

Our readers may be interested in knowing that through the regular visits of the New Hampshire State Bookmobile for 1958, approximately 886 books for all ages were circulated from our library, in addition to our own library books, and 76 other books were borrowed for special requests from the State Library also.

Without their generous assistance our library would not be able to fulfill the many requests for the books on special subjects that are requested.

During National Library Week, the library sponsored a contest for the school children, with prizes given for the best portrayal of any book which the children had read.

Balance of fine money	$27.06
Fines received	78.66
	$105.72
Expenses	81.93

REPORT OF 1958 SCHOOL DISTRICT MEETING

School District of the Town of North Hampton
State of New Hampshire

To the inhabitants of the School District of the Town of North Hampton in the county of Rockingham in said State qualified to vote in District affairs:

You are hereby notified to meet at the Elementary School Auditorium in said North Hampton on Friday the fourteenth day of March 1958 at four o'clock in the afternoon and to cast ballots from that hour until at least nine o'clock in the evening of said day for candidates for the following district offices:

The meeting was called to order by the Moderator who read the first five articles in the warrant and declared the polls open to vote by ballot on articles 1 to 5:

Article 1: Moderator, James F. Leavitt, 30 Votes, Sworn

Article 2: Clerk, George G. Carter, 30 Votes, Sworn

Article 3: Treasurer, Ada M. Fogg, 30 Votes, Sworn

Article 4: Member of the School Board for three years, Viola M. Gilman, 30 Votes, Sworn

Article 5: This article covered by Budget

Article 6: No reports

Article 7: This article covered by ballot

Article 8: On motion of William P. Fowler this article be adopted as read. (so voted)

Article 9: On motion of Percy Rodgers this article was adopted as read. (so voted)

Article 10: Moved and supported that the sum as printed in the School report after being explained by Mr. Bridges be raised and appropriated for the payment of statutory obligations of the District for the ensuing year, $146,491.93.

School auditors:

James F. Leavitt	30 votes
Philip T. Boothby	30 votes

Article 11: Moved the meeting be adjourned at eight o'clock on account of electric power failing.

GEORGE G. CARTER,

Clerk.

A true copy attest:

GEORGE G. CARTER,

Clerk.

1959 WARRANT FOR NORTH HAMPTON SCHOOL DISTRICT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of North Hampton, in the County of Rockingham, and the State of New Hampshire, qualified to vote on District affairs:

You are hereby notified to meet at the NORTH HAMPTON ELEMENTARY SCHOOL AUDITORIUM on Atlantic Avenue in said District on FRIDAY, the Thirteenth day of March at Four o'clock in the afternoon, and cast ballots from that hour until at least nine o'clock in the evening of said day for candidates for the following District offices:

1. Moderator for the coming year.

2. Clerk for the ensuing year.

3. A member of the School Board for the ensuing three years.

4. A treasurer for the ensuing year.

And you are also notified to meet at the same place at 7:30 o'clock in the evening to act on the following subjects:

5. To determine and appoint the salaries of the School Board and Truant Officer, and to fix the compensation of any other officers or agents of the District.

6. To hear reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.

7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.

8. To see if the District will vote to authorize the

School Board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

9. To see if the District will vote to authorize and accept the employment of an Assistant to the Superintendent of Supervisory Union No. 21; this article to take effect for the Supervisory Union Year beginning July 1, 1960; provided that each of the Districts in the Supervisory Union vote to accept this article.

10. To see if the district will elect to approve of inclusion of employees (other than those eligible under the Teachers' Retirement System) in the Employees' Retirement System of the State of New Hampshire, which system is provided for by Chapter 27-A of the Revised Laws as inserted by Chapter 183 of the Laws of 1945, and as provided by Chapter 201 of the Laws of 1945 and any subsequent amendments thereto.

11. If the district votes in the affirmative on the preceding article, to see if the district will vote to raise and appropriate the sum of Eighty-Eight Dollars and Twenty Cents ($88.20) for the purpose of providing funds for the district's contribution to said retirement system for the coming year.

12. To see what sums of money the district will raise and appropriate for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

13. To transact any further business that may legally come before said meeting. Given under our hands at said North Hampton this 26th day of February 1959.

HERBERT G. BRIDGES,

VIOLA M. GILMAN,

HAROLD K. CAMPBELL,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens
of the School District of North Hampton:

It is a pleasure to submit my first annual report as Superintendent of your school. I have enjoyed my work with the professional and lay people of the North Hampton School and look forward to the forthcoming year as we strive for the betterment of the educational opportunities of your children. The fine work of my predecessors, Mr. Roy Gillmore and Dr. Edward C. Manning, has proven to be both an inspiration and a challenge. I shall make every effort to continue the tradition of educational leadership they have established.

Previous annual reports have stated that the dominant factor affecting our schools is the growth in enrollment. This is still true. With this growth comes problems that are common to all the districts and which require a common effort to solve. These are the problems I shall first discuss.

Supervisory Union No. 21 is one of the largest educational units in New Hampshire and the largest Supervisory Union. Because of this, and the unalterable fact that it is still growing, there is a clearly recognized need for more personnel at the Supervisory Union office level.

A sub-committee of the Supervisory Union School Boards has recommended an additional secretary and an assistant to the Superintendent. The salary of the former has been budgeted, but the latter, because it is considered an additional service, must be voted by each School District. Thus, an article has been inserted in the School Warrant of each district. It is my hope that

the citizens will follow the recommendations of their School Board and vote favorably for this office.

Another universal need is that of a permanent office building for the Supervisory Union. Present facilities are both temporary and inadequate. There is neither sufficient working nor storage area and valuable records cannot be properly safeguarded. A study is being made to determine the best method of solving this problem and I hope a solution will soon be reached.

Our Supervisory Union Classes, now two in number, continue to perform a valuable service. North Hampton, by permitting the use of a classroom for the past two years, has contributed materially to the success of this endeavor. You are to be commended for your generosity. Once a "pilot program" but now a fixture, this educational opportunity will continue as an important part of our over-all program. I am pleased that our Supervisory Union budget will provide the necessary additions to the facilities and equipment.

At this point it seems logical to mention the possibility of increased State Aid. Pending legislation, if voted favorably by the General Court, will provide a $10.00 per pupil grant to all school districts. Passage of this legislative act would bring direct aid to North Hampton. I feel it is worthy of your consideration.

The North Hampton Elementary School continues to be one of the finest schools in this area. Its standards are high and its teaching staff dedicated and competent. Under the capable and imaginative administration of your Principal, Mr. Walter Brown, the entire program moves forward with each day. It is a fortunate family that can send its children to this school.

Your expanding pupil population requires an additional teacher to permit the division of Grade Eight

next year. With this person, the tradition of low pupil-teacher ratio can be continued with its gratifying results.

Another forward step has been taken by the budgeting for a Principal on an eleven month basis. Our schools are reaching the size where this is desirable and I am pleased that the School Board recognizes this. During the summer months much can be accomplished in the way of curriculum planning and programming of studies that cannot be accomplished otherwise. This is especially true in the area of coordination of instruction between junior high and senior high school.

The salary schedule for North Hampton has undergone a necessary revision. The starting salary has been increased from $3,200 to $3,400, which is nearer in line, though not equal to, other minimum salaries in this area. As is only reasonable and just, this increase in the minimum has been added to the normal increment for teachers currently on the staff. It would be unfortunate if the faculty of this school should lose a large number of its members. This increase is necessary to help prevent such an occurrence.

North Hampton, quite frequently a leader, was among the first to embrace educational television. Only in its embryo stage, this electronic adjunct to the classroom teacher will not realize its full potential for years to come. With an early start, the North Hampton School should be among the first to reap these potential benefits. Even at this stage of development, educational television has been a boon.

The program for the academically superior student is in its second year and continues to be a success. This was a progressive step and the pattern of the North Hampton program has been followed, with some slight variations, in the other districts in this Supervisory

Union. North Hampton can take pride in being among the first in this endeavor.

The Remedial Reading Program continues to be a feature of your school. The Athletic program is functioning well and providing the boys and girls with much needed supervision in this vital area.

I wish to convey my thanks to all who have contributed to the success of this year. The School Board, Principal, and Teachers have been most helpful and all benefits received by your children can be directly attributed to them.

My thanks, too, to Miss Leota Whitcomb, Helping Teacher, and Miss Ruth Hammond, Executive Assistant, and the other members of the Office Staff whose untiring efforts and loyal support have greatly eased the burdens of this position.

I look forward to continued service on behalf of your school and your children.

Respectfully submitted,

C. M. GREEN,

January 26, 1959 Superintendent of Schools

SUPERINTENDENT AND HELPING TEACHER SALARY SHARES

The following figures show the State's Share of Superintendent's and Helping Teacher's Salaries and the proportionate share paid by each school district in Supervisory Union No. 21. (1958-9)

	Superintendent	Helping Teacher
State's Share	$2,547.99	$2,355.66
Cooperative No. 6	1,664.36	816.46
Hampton	1,682.15	825.19
Hampton Falls	199.55	97.89
New Castle	168.33	82.58
North Hampton	553.71	271.63
Rye	849.83	416.89
Seabrook	619.35	303.83
South Hampton	97.44	47.80
Total	$8,382.71	$5,217.93

REPORT OF SCHOOL NURSE

To the Superintendent of Schools and
School Board of North Hampton:

I am working as school nurse two days each week in the North Hampton School.

The school health program consists of annual weighing and measuring, general inspection of hair, teeth, tonsils, skin and posture of each pupil. Vision testing is done yearly on all students.

Last year six children were found needing corrective eye measures and all six were given the necessary treatment.

Hearing tests were done on first, third, fifth, and seventh grades. Also on several pupils who were referred to me by parents and teachers. A few defective cases were found which were corrected by removal of tonsils and adenoids or other surgical methods.

Dr. Charles Bailey, school physician, gave thorough physical examinations to pupils in first fourth and seventh grades. All boys and girls participating in sports were also given examinations.

A Tuberculin Patch Testing Clinic was successfully held on December 5. A total of three hundred and eighteen students, teachers and other school employees took advantage of this worthwhile opportunity.

Weekly visits are made to all classrooms. A total of two hundred twenty-seven home contacts were made by me during 1958.

I would like to express my thanks to the Lions Club and Kiwanic Club of Hampton for their aid and also to everyone else who has helped make the health program much more successful during the past school year.

Respectfully submitted,
JESSIE MANSOURIAN, R. N.
School Nurse
